" MAKE IT, DON 'T BREAK IT "

It's an event filled with quizzes and buzzer rounds based on Civil Engineering.

There are 3 Rounds :

Round 1 - Quiz round

Round 2 – Crossword

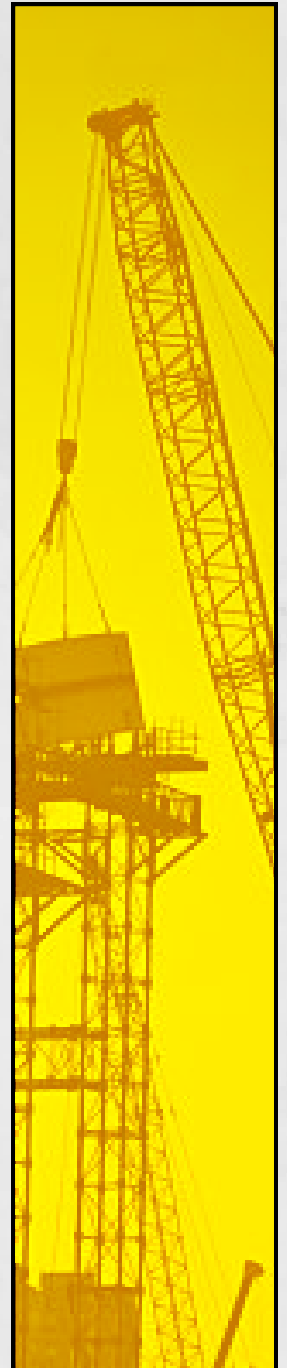

Round 3 - Model making with ice cream sticks

Round 1 : Quiz Round

- Civil engineering-related questions will be given to participants.
- The round will be held on Google form, the one who give more number of correct answer in less time will be qualified for the next round.

Round 2 : Crossword

- The participants will be given a set of scrambled letters that will be used to answer a series of questions.
- The team must answer as many questions as possible in least time.

Round 3 : Model Making With Ice Cream Sticks

- Participants must construct model structures.
- The structures will be evaluated based on their stability, aesthetics, and time required.

Rules

- This will also be in offline mode, with only a limited amount of material provided. Groups will be chosen based on their highest marks. If there are more than one, the groups that submitted their applications in the shortest amount of time will be chosen.
- A total of 80% of the group will be chosen. This task will be timed, so the first ten groups who finish the fastest will be chosen.
- The winners will be decided based on aesthetic appeal and material durability.

Notes

- The final decision lies in the hands of the coordinator. Coordinator reserves the right to change the rounds and the rules on the day of the event.
- If a participant misbehaves or does not obey the rules and regulations of the event, event coordinators reserve the right to disqualify the participant.
- Teams should report 30 minutes prior the event.
