There are 3 rounds:

1. XOXO
2. Picker Wheel
3. Clue Box

## Round 1 : XOXO

- Two teams will play the game of X AND 0 and whichever team wins the game will get the chance to answer the question.
- This same round will be repeated 4 times.
- For every correct answer there will be a + 20 and for every wrong answer there will be -5 and whichever team gives the wrong answer the other team will get the chance to answer where they will get +10.
- The questions will be based on entertainment like movies on netflix, amazon prime and all ott platforms. The teams which score in the top 20 will go on to the next round.

## Round 2 : PICKER WHEEL

- We'll place a wheel in which there will be different genres. We will have questions for each genre.
- Each member from their respective team will come and spin the wheel and answer questions related to the genre on which the point has stopped.
- This round will be judged on the basis of whichever teams will score in the top 5. Marking scheme: For every correct answer there will be a +20 and for every incorrect answer there will be -5. There will also be a blank column on the wheel, if that comes then the team will get -10.

### **Round 3 : CLUE BOX**

- We will provide first clues to each team. There will be a total of 6 clues .
- As the teams clear their first clue, they will send us the photo of the place or the object that the clue has led them to. If they got to the right place, we will approve and give them the next clue. All the clues will be different for every team except for the last clue .
- Whichever team got to the last place first will win the game.
