Fut-Fiesta is a game where five players per team compete in a modified version of soccer in a relatively small field.

There are 4 rounds:

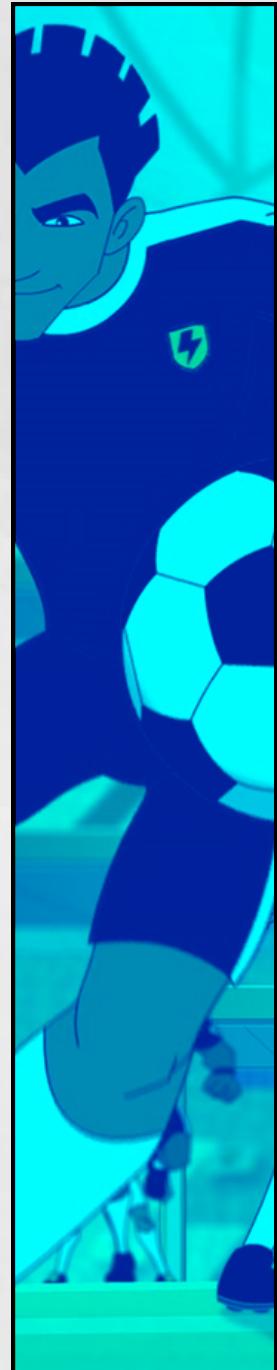

1. Knockout
2. Decider
3. Hunt-Down
4. Dominator

Round 1 : knockout

There are 2 teams formed, and they play against each other only once. The team which scores the most number of goals wins the round and advance to the next.

Round 2 : Decider

The roles of attacker and defender teams are switched, and then competed. To win this round, the criteria is to defeat the opposite team.

Round 3 : Huntdown

In this round, a barrier/line will be created between the two teams. The defender team must not cross the barrier. The team which survives wins the round.

Round 4 : Dominator

The rules in the above rounds all apply to this final round. You must eliminate the opponent team to become the dominator and win the match.

Rules and Criteria:

- It is a time-based event.
- Once registered, participants aren't allowed to change the number of the members or member itself.
- Decision made by the co-ordinators and referees will be final, and participants should co-operate with this.
- If needed, time will be extended in the rounds.
- No extra time will be allotted such as injury break.
- Use of hands is not permitted for scoring or defending goals.
- No side-tackles will be allowed.
