"IT'S THE ULTIMATE RC AIRCRAFT SHOWDOWN!"

An event made for Airplane enthusiasts! Design your own RC Aircraft, and bring it to the ultimate showdown of Airplanes. Race them through various obstacle courses, against time, and the fastest Aircraft wins the battle!

Round 1: SHOW OFF

Take-off your plane, fly it across the circuit filled with thrilling curves and obstacles safely and prove your piloting skills.

Round 2: LAND IT LIKE A BOSS

- Fly your plane across the circuit, perform aerobatics, and land it on a given line.
- Closeness to the landing line determines the points.
- During descent, the plane should only glide. There should be no throttle.

Round 3: BEAT DROP !

- Drop the given payload on the marked location then land your aircraft.
- Closeness of the airdrop to the marked location determines the points. Payload Dimensions: 5cm x 5cm x 5 cm, 150gm.
