The main theme of this event is Coding. The participants should have the basic knowledge of C/C++. The participants will have to participate in a team of 2-4 members.

The event will be held for 2 days:

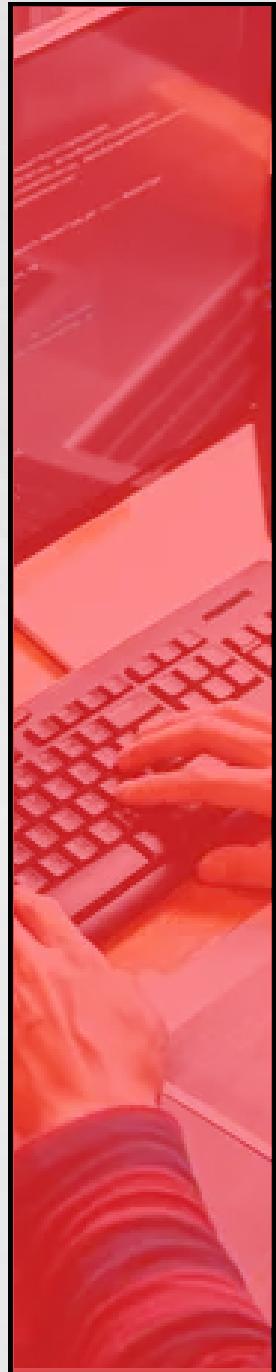

1. Round 1 : Pattern Printing
2. Round 2 : Stable
3. Round 3 : Tic-Tac-Toe

Round 1: Pattern Printing

- Star cutouts and code with pattern will be provided to the participants.
- They have to arrange the cutouts according to the code.
- Top three teams from this round will qualify to the second round.

Round 2 : Stable

- This round is a game of one leg hop. The teams will be given a code. One player has to hop while the other two solve the code.
- On solving one code, you will get an opportunity to hop further, but they have to stand on their places when there is a wrong move.
- Top 4 teams will qualify for the next round.

Round 3 : Tic-Tac-Toe

- This round has 2 parts:
- Semi-finale and Finale.
- For every move, the teams have to solve a piece of code. Those teams which solve the game first, or win against the other team, goes into the finale.
- They play the same game again to qualify as the winner.
